AMCS

Sobre Nosotros

La **Alianza México Ciberseguro** es una iniciativa de múltiples partes interesadas, con el objetivo de identificar y consolidar el ecosistema de ciberseguridad en México, para contribuir al desarrollo digital sostenible, a partir del abordaje de la ciberseguridad en sus diferentes enfoques y aristas, con una visión de Estado.

Nuestra misión es fortalecer la colaboración entre actores de diferentes sectores y disciplinas, y con dicha colaboración contribuir al fortalecimiento de la ciberseguridad en un enfoque colectivo.

AMCS Alianza México Ciberseguro

MÉXICO CIBERSEGURO
Conversemos

Democratización

Buscamos democratizar la conversación, información y conocimientos sobre ciberseguridad, seguridad digital o seguridad de la información para ponerla al alcance de todas las personas.

Capacidades y Apoyo

Abonaremos al fortalecimiento de capacidades con labores académicas, apoyo en procesos de políticas públicas, legislación y prácticas comerciales vinculadas a ciberseguridad y ciberdelitos.

Inclusión y Apertura

Procuramos objetividad, diversidad, pluralidad y apertura para dar cabida a toda organización y persona interesada. La AMCS se mantendrá estrictamente sin vinculación partidista.

AMCS

About Us

The Alianza México Ciberseguro (Cybersecure Mexico Alliance) is a multi-stakeholder initiative whose objective is to identify and consolidate the cybersecurity ecosystem in Mexico, in order to contribute to sustainable digital development by addressing cybersecurity in its different approaches and aspects, with a vision of the State.

Our mission is to strengthen collaboration between actors from different sectors and disciplines, and through that collaboration to contribute to the strengthening of cybersecurity with a collective approach.

[WhatsApp logo] MÉXICO CIBERSEGURO · Let's talk

Democratization

We seek to democratize the conversation, information and knowledge about cybersecurity, digital security or information security in order to put it within reach of all people.

Capacities and Support

We will contribute to capacity building with academic work, support in public policy processes, legislation and commercial practices linked to cybersecurity and cybercrime.
