Estimado Sr. Jeong Sangwoon

Presente

A nombre de la Fundación IMSS, A.C., me es grato expresar al Gobierno que usted representa, nuestro sincero agradecimiento por el gentil donativo que hicieron el año pasado durante la actual contingencia por el SARS COV2 (COVID 19) que ha devastado naciones enteras y que ha afectado significativamente a nuestro país.

Como sabemos, los coronavirus son una familia de virus altamente contagiosos con el potencial de causar enfermedades respiratorias desde leves hasta muy graves, que provocan que una persona no sea capaz de respirar por sí misma, por lo que requiere de cuidados extremos.

En este sentido el donativo de 3,500 Sets de Traje de Protección y Cubre pies (Medical Protective Overall), resulta perfecto para apoyar las medidas de prevención del personal de la Secretaría de Salud de la Ciudad de México, contra el COVID 19 y de este modo, atender las recomendaciones que hace el sector salud en este aspecto.

Para su tranquilidad, le comparto que se está llevando un seguimiento puntual a fin de garantizar la eficiente y eficaz utilización de los artículos recibidos.

Finalmente le reitero el reconocimiento de la Fundación IMSS y esperamos seguir contando con su generoso apoyo y fortaleciendo nuestros lazos de amistad con el Gobierno Metropolitano de Seúl, Corea, para lo cual estaríamos muy honrados de que en cuanto pase la emergencia pudieran visitar nuestras instalaciones.

Mexico City, 11 January 2021.

Dear Mr. Jeong Sangwoon

Seoul Metropolitan Government, Korea

Present

On behalf of Fundación IMSS, A.C. [Civil Association, abbreviated in the original], I am pleased to express to the Government that you represent our sincere gratitude for the kind donation that you made last year during the current contingency caused by SARS COV2 (COVID 19), which has devastated entire nations and has significantly affected our country.

As we know, coronaviruses are a family of highly contagious viruses with the potential to cause respiratory diseases ranging from mild to very serious, which leave a person unable to breathe on their own, so that they require intensive care.

In this regard, the donation of 3,500 Sets of Protective Suits and Shoe Covers (Medical Protective Overall [in English in the original]) is perfect for supporting the prevention measures of the staff of the Ministry of Health of Mexico City against COVID 19, and in this way for following the recommendations that the health sector makes in this respect.

For your peace of mind, I would like to share with you that close follow-up is being carried out in order to guarantee the efficient and effective use of the items received.

Finally, I reiterate the appreciation of Fundación IMSS, and we hope to continue counting on your generous support and strengthening our ties of friendship with the Metropolitan Government of Seoul, Korea, for which we would be very honored if, once the emergency is over, you could visit our facilities.

SINCERELY
